

## **Draft version of the e-Invoice logical structure released by the Ministry of Finance**

In relation to the assumed implementation, from January 1, 2022, of the possibility of issuing structured e-Invoices under the National System of e-Invoices (KSeF), the Ministry of Finance has published a draft version of the logical structure of e-Invoices (FA\_VAT). It aims to enable taxpayers to adapt their IT systems to this innovation.

The documentation of the logical structure of e-Invoices is also available in the English language version.

The Ministry of Finance also provided a set of sample e-Invoices that show how to fill in the structure in specific cases.

All published materials can be found on the website of the [Ministry of Finance](#):

- logical structure in English – file “Dokumentacja roboczej struktury logicznej e-Faktury w języku angielskim”,
- sample e-Invoices – file „Przykładowe pliki e-Faktur”.
